The first Morpeth Farmers game was played in 1980 when David Turnbull thought it would be a good idea to invite Kirkley Hall Students to Morpeth RFC to play an annual game in the hope Morpeth RFC could "recruit" players – this game was played 31 times only missing 2001 due to the foot and mouth epidemic and 2005 due to bad weather.

After the 2012 game it was decided to ask along Newcastle Agrics to play the Morpeth Farmers and 2019 is the seventh year this actual fixture has been played.

The match is played annually now on the first Wednesday in March, next year's match will be Wednesday 3rd March 2021
